"I use Go Hazmat as often as I can. I have an amazing rep who always takes the time to answer my calls or emails. Thanks for the great service." –Go Hazmat Customer Survey

"All I can say is that Miguel and his team are doing a great job – 110%. I'd recommend Go Hazmat over any other company. Keep up the good work. The fast on-site work saved me serious \$\$\$" –Blake, posted on Go Hazmat social media page.

"When I started here a couple of years ago we were using [a competitor] for a large portion of our shipping. They were not reliable and when there was an issue I would have to talk to up to four people to get an answer. When we switched to Go Hazmat it was night and day. Your account reps are on top of things. I am looking forward to the busy season and feel a lot less stressed knowing that Go Hazmat will be a part of it." – Go Hazmat Customer Email

CARRIER TESTIMONIALS

"Since we started this business, we have been able to count on Go Hazmat for access to freight in all areas of the country, at a fair rate. Payment has been prompt and communication excellent. "

"I have worked with Go Hazmat a lot and I can't remember one time that I have been put off, snubbed or talked down to by anyone at any time. Go Hazmat employs staff who knows the in's and out's of 3PL hazmat. Kudos to all of the dispatch agents. They are some of the most enjoyable people to work with in this industry, where hotheads and bad attitudes are the norm. I am eager to explore their sister companies."
